

December 1, 2011

Dear Friend:

Please accept this invitation from the Epidemiology Section of the Michigan Public Health Association to be a sponsor of the 11<sup>th</sup> Annual Michigan Epidemiology Conference, which will be held on Friday, March 30, 2012 at the MSU Union on the campus of Michigan State University in East Lansing, MI.

The goal of this conference is to bring together individuals interested in epidemiology from diverse organizations, such as health systems, academia, non-profit organizations, industry, and government. You can find further information about the Michigan Epidemiology Conference on our website at <http://www.mipha.org/epi/index.htm>.

The success of our previous conferences has been facilitated by the generosity of our many sponsors. In particular, this support helps us provide a conference with no charge for attendance. Supporters who donate \$100 or more have access to a display table at the conference. Last year we succeeded in hosting our largest conference to date, with over 300 attendees.

It is our sincere hope that you will agree to help fund this exciting event focusing on epidemiology and public health in Michigan. Please consider how you can best support the Michigan Epidemiology Conference and complete the following Sponsorship Form.

We look forward to working with you. If you have any questions, please feel free to contact me.

Sincerely,

Tiffany Henderson, MPH  
Secretary-Treasurer
