Mark your calendars for March 30, 2012, when the Epidemiology Section of the Michigan Public Health Association (MPHA) will present the **11th ANNUAL MICHIGAN EPIDEMIOLOGY CONFERENCE** at the **MSU Union in East Lansing, MI**. As it becomes available, more information and registration information will be posted on the MPHA website at www.mipha.org/epidemiology.php and distributed by e-mail.

We are excited to announce our Keynote Speaker Dr. Janell Routh, an Epidemic Intelligence Service Officer with the Centers for Disease Control and Prevention, who has played a pivotal role in the response to multiple national foodborne outbreaks including the recent outbreak of Listeria associated with cantaloupe.

The conference will also include plenary speakers addressing emerging issues in epidemiology. Poster presentations and breakout sessions will cover many topics including infectious diseases, chronic diseases, maternal & child health epidemiology, environmental health, and careers in epidemiology.

Please consider submitting an abstract for oral or poster presentation. The submission form can be found at www.mipha.org/epidemiology.php

If your organization is interested in supporting the conference or reserving an exhibitor booth please contact Tiffany Henderson at hendersont1@michigan.gov
