

Hats are Off to You

*With deep appreciation, respect and gratitude of their outstanding volunteerism and leadership to the American Public Health Association and Great Lakes Public Health Coalition, our “**Hats are Off to You**” for their outstanding efforts. We have appreciated their notable and visible hard work, commitment and continued tenacity to affect change and achieve progress in Region V and APHA at large. The recipients of this award are a true model of leadership for many public health professionals and students.*
